

WORLD-WIDE COVERAGE ASSURANCE

While traveling or at home, EyeCare International assures, fast, convenient replacement of lost or broken eyewear. Just call the number on the back of your ECI card and ECI will ship your glasses within 24 hours. ECI maintains all participant's prescription eyewear records for your emergency needs. **Always carry your ECI card with you.**

YOUR VISION CARE PROFESSIONAL

We at ECI know from experience, the confidence you have in your Doctor is very important. With ECI you always choose your optometry professional.

In order to give you the quality and service you and your spouse deserve, we need your Doctor to complete the ECI prescription form provided (except in case of emergency or reorder of a prescription less than 2 years old). Then you simply mail your form back to ECI in the envelope provided, with your payment.

Because your Doctor is the key to your optical needs, ECI recommends having your glasses mailed to him or her directly. Your Doctor will check your glasses for correctness of prescription and properly fit you with your new glasses.

Please note that you are still responsible for paying for the lenses and frames...at discounted prices. You are also responsible for any examination and fitting fees charged by your personal Doctor.

ECI will not reimburse for glasses ordered outside this program for glasses purchased from other manufacturers.

All eyeglasses meet or exceed ANSI Z87.1 Safety Standards...an important benefit for you and your spouse. Have your Doctor show you the frame styles available. You will see that quality, styling and safety are available through EyeCare International.
